

## Terms and Conditions

Thanks for your interest in our Invisalign Open Day.

We hope to show you what treatment may involve, give you the chance to ask questions, and provide an indication of what your teeth may look like at the end of treatment.

This event carries a special promotion based around the following example of an £800 saving:

Normal Invisalign 'Full' treatment from £3950

Free Initial Assessment usually £90

Free I-Tero scan, usually £100

Free Whitening treatment after Orthodontics, usually £300

Two Free Care packs at start of treatment and at retainer stage, worth £20

Discount of Invisalign fee £300

Cost for treatment: £3650

If you are suitable for Invisalign treatment and agree to go ahead on the day, then there would be a deposit of £250 payable to secure your promotional discount and then the first payment or payment in full prior to ordering your Invisalign appliance. Payment details are available from reception.

This offer is not available in conjunction with any other promotion at the practice.

If you are not suitable for this particular offer then one of our other promotions may be applicable to you.

Please get in touch if you have any further questions .
